

Who we are

For over 150 years, Catholic Cemeteries + Crematoria has proudly provided caring funeral services to everyone in the Sydney community.

As an independent not-for-profit organisation, Catholic Cemeteries + Crematoria manage five cemeteries within the Western Sydney area, providing world class funeral services, by burial or cremation.

We believe that everyone has the right to a dignified funeral and enduring, future care of the family's resting place. We understand that cemeteries are sacred and historical places in our society for the preservation of memories, and that the funeral is just the beginning of our role.

As a multi-faith and non-denominational cemetery provider, our services cater to a diverse range of communities. Our cemeteries are located at the following locations:

- ◆ Rookwood Catholic Cemetery
- ◆ North Rocks Catholic Cemetery
- ◆ Liverpool Cemetery
- ◆ Kemps Creek Memorial Park
- ◆ Macarthur Memorial Park (due for completion 2024)

Our services cater to a diverse range of multi-faith communities.

Burials

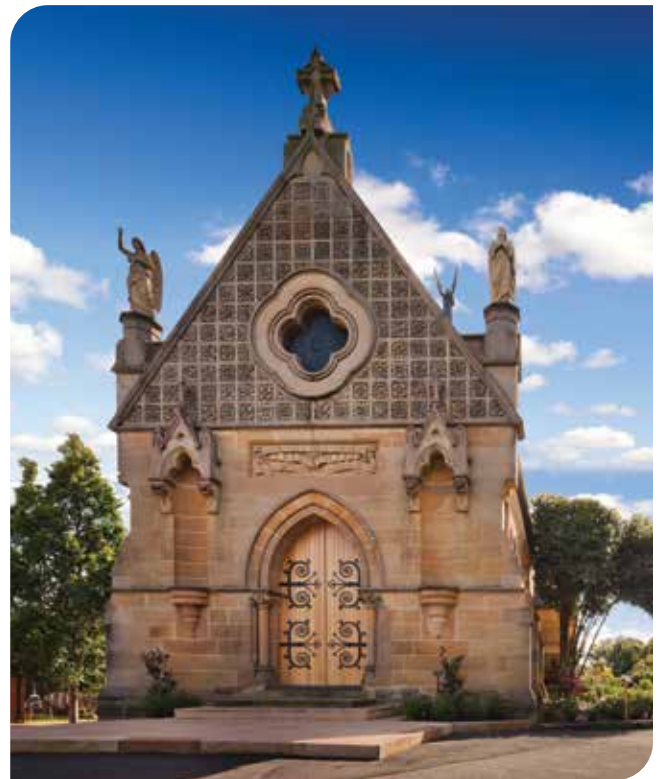

For those looking for traditional burial options, we offer a variety of different grave types to suit all personal, religious and cultural considerations from lawn graves, monumental graves, through to natural burial lawns.

Rookwood and Liverpool also offer beautifully appointed above ground garden crypts that will be maintained in perpetuity by the cemetery.

Cremations

Cremation is a popular and affordable choice for many families. Catholic Cemeteries offer cremation services, as well as on-site memorial services and the interment of cremated remains.

Catholic Cemeteries can help families find a beautiful place to memorialise their loved ones. A peaceful place in one of our memorial gardens, niche walls or columbarium means that family and friends are free to visit any time they choose.

Chapels

Our chapels are places to gather with friends and family to celebrate a life. Each service is facilitated by a co-ordinator to ensure the service is conducted according to your wishes.

Condolence Lounges

On-site condolence lounges are available to gather and share memories after the service and can cater to both small and large groups.

A sanctuary for the community

Macarthur Memorial Park is an innovative, sustainable, and multi-denominational memorial and parkland destination, designed to honour life, culture, community and heritage.

This unique park will be distinctly landscaped over 113 hectares of green space, respecting the site's indigenous and colonial heritage. Honouring the historical significance will create a rich legacy for perpetuity.

The iconic public space is open to all and will feature stunningly architecturally designed chapels, a world class sculpture park, native gardens, water features and boardwalks. The facilities are best in class and designed to create a place of identity and belonging for the whole community.

The facilities are best in class and designed to create a place of identity and belonging for the whole community. This holistic place of remembrance and healing has been sustainably designed and purpose built for the preservation of future generations.

Peaceful sanctuary for life

This world-class memorial park has been conceived with the local community at its heart. With dedicated community lawns and unique burial rooms designed to provide privacy for family and visitors, the Park will provide burial space for the next century. Macarthur Memorial Park is designed for the diverse and growing Sydney population, providing space that is sustainable and affordable for all families and community groups.

Sydney Crematorium

The new Sydney Crematorium at Kemps Creek is a state of the art facility using the latest modern technology to minimise the impact on the environment.

The crematoria office is a light-filled welcoming space, set within our beautiful landscaped grounds.

The facility offers a private viewing room, so family and friends have a peaceful space to reflect upon the life of your loved one.

Having full control over the operational process, enables us to ensure rigorous identity controls throughout the cremation service, offering complete peace of mind.
